## 2 bedrooms apartment for rent in Courchevel 1550 Village

The apartment is located in a brand new residence in the Gravelles district of Courchevel Village. Its location is ideal as it is just a few steps from the slopes of the largest ski area in the world.

The apartment has a contemporary spirit with neutral colours that bring finesse, such as the grey present on the furniture and the thick carpet in the living room. The all-black kitchen contrasts with the lighter colours and gives a real character to the apartment. This decoration combines perfectly with the strong presence of wood which brings warmth and reminds us that we are in a mountain construction.

Two bedrooms and a cabin make up the apartment, including a family bedroom ensuite and a double ensuite bedroom which brings the capacity to 6 adults. Wood is also present in the rooms, this time with brighter colours offering very cosy places.

This apartment is the ideal place for a family wishing to stay in a standing apartment, all with a privileged location.

To make your stay even more enjoyable, many à la carte services are available.
