## Luxury Ski-In/Ski-Out Chalet in the Heart of Méribel

Nestled in the heart of Méribel, this ski-in, ski-out chalet is one of the most luxurious and best located in the valley. Magnificent from the outside in, this striking chalet spans four floors and is flanked by sundrenched wraparound balconies, which boast enviable views of the Tougnette side of the mountain.

Sumptuously furnished throughout with local wood and stone and peppered with British and French aesthetic, this luxurious home from home balances spacious alpine style with much-needed comfort, making it an ideal retreat after a long day on the slopes.

The chalet's pièce de résistance has to be its enormous sitting and dining room, which with its central open log fire strikes a dramatic first impression. The dining area easily accommodates 14 people and because the sitting room opens to the mezzanine above, the sense of space is remarkable.

For that well-deserved glass of champagne, the south facing picture windows open onto a sun terrace, and for ultimate rejuvenation, the outdoor hot tub beckons aching muscles.

Comprising seven individually decorated large king/twin rooms all with stunning en-suite bathrooms, it's also possible to have extra beds for young children. There's always space for a little one!

Situated at the bottom of the magnificent Georges Mauduit piste, is only seconds from Méribel's main lift centre and ski school meeting points. For evenings out with friends, it's just a short distance from the centre of Meribel.

Combine this luxury chalet with our outstanding service and gourmet quality cuisine, and you have the makings of a truly unforgettable holiday.

Features:
