At the heart of the exclusive resort of Courchevel 1850, is a charming ski-in ski-out family home. With beautiful hand painted interiors, elegant indoor jacuzzi and generous master suite, it is the ultimate luxury escape in one of Europe's most exclusive resorts.

Chalet boasts a highly enviable location at the heart of the exclusive resort of Courchevel 1850. With a central ski-in ski-out position on the Cospilot piste, the chalet still somehow feels secluded, tucked away amongst the trees in the secure gated commune of Le Hameau de Bellecôte.

Chalet hand painted interior décor and traditional wood exterior lend it a timeless elegance that is bound to charm any visitor. Its ornately carved wraparound balconies offer stunning views of the surrounding peaks.

It is the chalet's spacious, homely and lovingly decorated living spaces, however, that really capture its guests' hearts. With its inviting large seating area around the open wood fire, relaxed dining room, additional seating area (perfect for puzzles and board games), a snug and television room, and, of course, a well-appointed bar - there's somewhere for the whole family to escape to. The delightful indoor hot tub is the ideal place to unwind after a day's skiing.

6 en-suite bedrooms, plus an additional master suite complete with lobby, study and bathroom, can accommodate 12 adults and a further 2 children in supreme comfort in this charming family home. Coupled with Purple Ski's unparalleled service and exceptional cuisine, this could be your perfect winter retreat in Courchevel 1850.
