Located at the entrance to the Fermes de Val, traditional cocooning chalet with contemporary touches, decorated in warm colors. For a moment of relaxation, go to the jacuzzi on the terrace or in front of the fireplace ... In 5 minutes on foot, you will reach the center of the village of Val d'Isère and the slopes of the 300km ski area.

The 4 bedrooms that make up the chalet are different in style, some colorful, others more sober, but all will make your nights the sweetest. From the whirlpool bath in the jacuzzi on the outdoor terrace, you can admire the legendary Olympic track of the Enlightened Face. Luxuriate in the hammam when you come back from skiing, and why not continue with a massage at home. Everything will be done for a dream holiday.

As soon as you enter, you will be charmed by the warm atmosphere of the chalet. From the living room, you will discover the station through the large bay windows bathing the room in light. The exposed frame made up of magnificent raw wood beams accentuates the charm of this cozy nest. The fireplace will liven up your evenings with an aperitif served at the bar or on the comfortable sofa with its Tibetan goat cousins. Meet in the cabin atmosphere on the mezzanine where the TV corner is nestled.
