Located in the Chenus area of Courchevel 1850, Chalet offers 800m² of living space spread over six floors. With ski-in/ski-out access, the slopes can be accessed directly from the chalet. This impressive chalet has a simply stunning interior with beautiful furnishings, high ceilings and excellent facilities.

The main living area, located on the second floor of the chalet, is open plan with a striking contemporary fireplace dividing the living room from the dining area. Vaulted ceilings and floor-to-ceiling windows create a sense of space and light and provide access to the breathtaking mountain views. A well-equipped kitchen and bar with wine cellar are also located on this level. From the living area, you have access to a spacious south/west facing terrace with a hot tub - the perfect spot to relax and take in the incredible views.

With its own bar and nightclub, Chalet is the perfect property for entertaining. You can also enjoy wine tastings in the wine cave or put your feet up in the high-tech cinema room with tiered seating.

Children and adults alike will love the games room, complete with foosball table, computer games and pick a mix.

That's not all - the chalet also has a superb wellness area with an indoor swimming pool, spa bath, sauna, hammam and massage room with shower. For those who enjoy a workout, head to the well-equipped fitness room. Other facilities in the chalet include a ski room, professional kitchen and laundry facilities.

Chalet is able to accommodate 10 adults and two children across six en-suite bedrooms. There are two master suites - one on the top floor with a TV, dressing room, office area, west-facing balcony and en-suite

bathroom. The other, located on the first floor, has a spacious south-facing terrace and en-suite bathroom.

There are a further three double bedrooms on the first floor and a children's bunk room with a shower room and TV/games area. There is also a two-bedroom apartment suitable for staff, which is available on request.
