Luxury Chalet with Alpine Charm in Méribel Village

Enjoy the perfect blend of seclusion and proximity to the slopes at this sumptuous chalet, located in arguably the most sought-after position in Méribel Village. With its warm rustic beauty, smoking chimneys, and snowy woodpiles, this chalet epitomizes alpine charm, but with all the modern luxuries.

Charmingly furnished throughout and with uninterrupted balcony views of the valley, this chalet balances spaciousness with a cozy intimacy that makes returning from the slopes a real pleasure.

With exquisite wood paneling, roaring log fires, art, and antiques, each room exudes comfort and style, making it the perfect backdrop for an indulgent yet homely holiday.

The heart of the chalet and perhaps its crowning glory is its spectacular main reception room, which boasts a grand central fireplace, enchanting library, cozy sitting room, TV corner, and relaxed dining area. Additionally, with its sauna, games room, gym, cinema, and access to a traditional stone-clad hot tub, the lower ground floor offers the perfect sanctuary from the snow.
